Archery Shooting Sports Elective

Attention Ventures

Ten Ring with Rapids Archery Club is offering the Bronze / Ranger Archery Shooting Sports Elective to Venture Scouts this spring. But "it's COLD outside"! Don't worry, the club has graciously allowed us the use of their nice warm indoor archery range in Andover. We are presenting three days for the Ventures to learn all about archery and a 2D critter tournament complete with trophies on April 1. We will have trained instructors there to help them become proficient enough to qualify for the Archery Elective of the Bronze / Ranger award. The archery requirement might be accomplished in a single session but plan on at least two of these dates:

February 26, 2012	March 18, 2012	April 1, 2012
Qualify	Qualify	Qualify / Tournament

Yes these are Sundays. Time is from 8 AM to 12 PM and the cost is $6.00 per day which includes a scout style lunch. You must pre-register for these dates in advance.

A registration form for these archery sessions is on our website www.tenring.org or if you wish email *Mike McCarthy* at michaelmccarthy555@msn.com.

If you have any questions, email us at ventures@tenring.org.
Or if you wish feel free to call us at 612-524-7889.

An Interactive Map to Rapids Archery Club can be found on the Resources page of our website.

Ten Ring

Hello, we are a non-profit group of Scouters interested in helping the youth in our area enjoy the shooting sports safely. We have volunteers that are highly trained in all the different disciplines of the shooting sports. We have been working with scouts since our own boys were cubs. As well as providing shooting opportunities for scouts and other youth in our area, we also conduct NRA, BSA and USA Archery training for adult leaders. You can visit our website at www.tenring.org

Rapids Archery Club

The Club and ranges are located inside the Bunker Hills Park. Rapids Archery Club is dedicated to the advancement of the sport of Archery and all the variations that are involved from Olympic style target shooting to 3D animal targets to promoting bow hunting. You can visit their website at www.rapidsarchery.org.
