Bring a desire to sing songs and have FUN!!

Dear Cub Leader:

The “Basic Adult Leader Outdoor Orientation” course is an exciting new program that will assist your Pack if you are planning a Pack Camping trip this year or next. Not sure if camping is for your unit, come and find out. Materials covered will include: Planning an outing, Camping equipment, Campfire planning, Health and Safety concerns and much more.

The logistics of this course requires that we limit attendance so **pre-registration will be required so that food will be available for lunch.** We will fill on a first come first serve basis. Registrations should be received by Monday, April 17th.

Should you have any questions or concerns, please call: Leif Klang, Cub Training Chair @ 612-749-2043 or e-mail lklang@comcast.net or contact Nate Peterfeso, District Director at 763-231-7226
