

## **World Jamboree Information Meetings June 6th & June 8th**

**If you have ever wondered what it would be like to be at a Jamboree with Scouts from all around the world, now is your opportunity to see what happens with video excerpts from past events, talk to people that have been there, and get to meet some of the troop from our council who will be going to the World Jamboree late July through early August, 2007 that will celebrate the 100th anniversary of Scouting.**

**This will truly be a once in a lifetime experience that you will carry with you the rest of your life. For 12 days you will be camping with Scouts and Guides from over 150 different countries. You will be playing games with them, tasting their food, finding out what life is like in their country, trading badges, making new friends, and enjoying a Scouting experience like you have never had before.**

**People that have attended a World Jamboree have described it as one of the best times of their lives, something they would do again in a second if given the chance. As well as having 12 days at the Jamboree, there will be three days of touring London and the surrounding area.**

**Come share the adventure, experience the joy of international Scout friendship, and see things you've never dreamed about. The base participant cost for U.S. Scouts is \$3,975. Limited campership funds are available for qualified Scouts. Scouts must be at least 14 and under 18 to participate.**

**The information meetings will be held at 7:00 p.m. at the St. Paul office (393 Marshall Ave.) on Tuesday, June 6th and the Golden Valley office (5300 Glenwood Ave.) on Thursday, June 8th. The Scoutmaster for the Troop from the Northern Star Council (who has been a Scoutmaster at three past World Jamborees) Jon Pederson, will be there to tell you about the great experience you will have.
