

# Many Point and Tomahawk Camp Reservations for 2007 and 2008

For common camp promotion and an easier opportunity for units to move between the two council Boy Scout summer camps, the Northern Star Council Camping Committee has established the following common campsite and Family Camp reservation procedure;

Camp reservations for **2007** will remain the same as previous years;

- **Many Point** campsite and Family Camp reservations will open on May 1, 2006. Campsites will be assigned by lottery on May 1 and first come, first served after that date.
- **Tomahawk** reservations can be made at Tomahawk by units camping there this year as they check out. Units can have their same campsite if the reservation is made at checkout. Other units can make reservations for that week after check out is complete.

Campsite reservations for **2008** will be the same for both **Many Point** and **Tomahawk**:

- Campsite reservations and Family Camp or Family Island reservations will open on May 1, 2007. Units, or families, can have their same campsite or trailer site as in 2007 if their reservation is in on, or before, May 1, 2007. A deposit of \$100.00 will be due at the time a reservation is submitted.
- Units not at Many Point or Tomahawk in 2007, or those wishing to change sites, will have their campsite or trailer reservation placed after returning units or families have been placed on May 2, 2007
- If more than one new unit, or changing unit, wants the same campsite a lottery will be held on May 2, 2007 to place the units or families.

More information regarding this policy will be distributed at the roundtables and in the Navigator newsletter. We will be doing direct mailing to all Scoutmasters and Committee Chairs regarding this new policy. Watch the website to stay up to date with new information. <http://www.northernstarbsa.org/Camping>
