

BALOO
BASIC ADULT LEADER OUTDOOR ORIENTATION

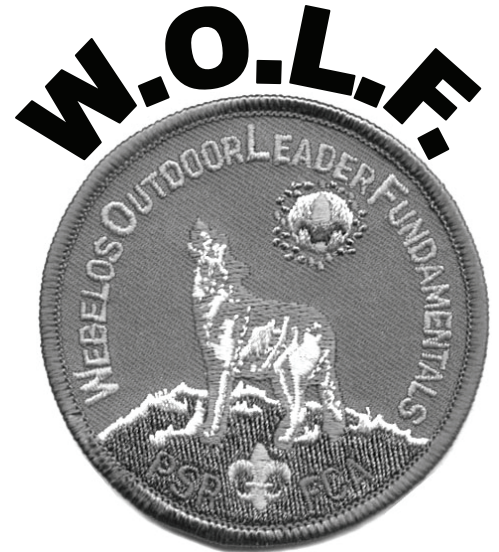

Basic Adult Leader Outdoor Orientation

Who: At least one leader per pack. This training is required to take Cubs Scouts on overnights.

A BALOO trained adult is required to attend when taking Cub Scouts camping anywhere but Council owned properties and is strongly recommended for all Cub camping events. This course will teach all you need to know in order to take Cub Scouts camping, from program, meal and campfire planning, as well as cooking, safety considerations and equipment options. The \$12 fee covers all camp fees, lunch, program materials and a BALOO trained patch.

Who: All Webelos Leaders, Bear Leaders, Cubmasters

WOLF expands on the basic outdoor skills taught in BALOO and teaches Leaders to use the outdoor program to help their Scouts earn the outdoor activity pins of Outdoorsman, Readyman, Naturalist, Forester, and Geologist. The \$15 fee covers all camp fees, meals, program materials and a WOLF patch.
