# Kodiak

Kodiak is a high adventure trek that will teach servant leadership skills while providing an ultimately FUN and challenging experience for all participants.

Crews of 6 to 8 members will be guided by adult and youth staff members in a selection of activities throughout both Course weekends. Venture Consultants will also be provided to show you how. Some of the options your Crew can choose from will include:

<b>Caving</b>	<b>Rock Climbing</b>
<b>Hiking</b>	<b>Biking</b>
<b>Shooting</b>	<b>Archery</b>
<b>Canoeing</b>	<b>Project COPE</b>
<b>Ropes Course</b>	<b>*MORE*</b>

Crews will be taught servant leadership skills through presentation and participation in Kodiak's five Leadership Commissions. These skills demonstrate how a leader works with and through a team to accomplish a mission.

Kodiak takes place outdoors and utilizes nature's examples of leadership.
