

Eagle Preview Meeting

Thursday, February 15, 2007
From Life to Eagle

All Star, Life Scouts, their parents, and scout leaders are invited to **Northern Lights District's Eagle Preview meeting** on Thursday, February 15, 2007 at 7:30 p.m. at the LDS Stake, 2801 Douglas Drive (one block north of Medicine Lake Road), in Crystal.

The advancement committee will explain and demonstrate all the steps required to become an Eagle Scout; including merit badges, Scout Spirit, the Eagle Scout service project, Eagle Board of Review, Eagle Scout Award application and any other necessary paperwork.

A session will also be covered on how to make an Eagle Court of Honor a special event for the Eagle and his family.

With the integration of Viking and Indianhead Councils' Advancement Committees, there have been changes in the Eagle process. If you have previously attended an Eagle Preview, please consider attending again. New Life to Eagle packets will be given out at this meeting.

Scouts should bring their Eagle Project Workbook and Eagle Application with them to this meeting.
