

# **EAGLE PREVIEW MEETING**

## **TUESDAY, OCTOBER 16, 2007**

FROM LIFE TO EAGLE

TPR-0004

All Life and soon-to-be Life Scouts, their parents, and scout leaders are invited to Northern Lights District's Eagle Preview meeting on Tuesday, October 16, at 7:30 p.m. at the LDS Stake, 2801 Douglas Drive, in Crystal, Minnesota—one block north of Medicine Lake Road on Douglas Drive.

The advancement committee will explain and demonstrate to the Scouts the steps necessary to become an Eagle Scout including required merit badges and Scout Spirit. Included also will be where to find and how to select an Eagle project, the steps needed to get the Eagle Scout service project approved, completion of the project workbook and Eagle application, and all other necessary paperwork.

A breakout session will cover the role of the parents and the unit leaders in order to explain their role in the Eagle process. It will also cover the unit's responsibilities for approving an Eagle project, the Eagle Board of Review, and the Eagle Court of Honor. It will also tell how to make an Eagle Court of Honor a special event for the Eagle and his family.

**Scouts will need to bring their Eagle Project Workbook and Eagle Application with them to this meeting.**
