

Thank you for your interest in the latest Merit Badge Counselor list.

We no longer have the list available on line.

The District Merit Badge Counselor list was taken off the website for two reasons.

- 1) Privacy for the counselor's information.
- 2) Having it available to so many might encourage Scouts to select a merit badge counselor themselves without going through their Scoutmaster. The correct procedure is for them to ask their Scoutmaster for the name of a counselor when he gives them the blue card.

The M/B Counselor list is available to all Scoutmasters and the unit leaders in Venturing and Varsity units. Because it is the responsibility of the unit advancement person to maintain their troop's counselor list, we ask unit leaders to share it with these individuals. Or, they can request a copy for themselves.

To receive your copy, send an E mail to northernlightsbsa@comcast.net and we will be glad to E mail you a copy directly.

Please include in the E mail

- 1) This is a request for the Merit Badge Counselor List
- 2) Your Name
- 3) Your Unit (Troop)
- 4) Your Position
 - a. Scoutmaster
 - b. Advancement Chair
 - c. Committee Chair
 - d. Other Position (include name)
- 5) Your phone number

We will make every effort to get the list to you as soon as possible.

Thank you,
