

It's time to schedule Family Friends of Scouting Presentations!

Part of the annual program plan for every unit includes conducting a Family Friends of Scouting presentation for your unit. Please indicate the date, time, and location of your unit Friends of Scouting presentation. Typically this is held at a Blue and Gold or Court of Honor during the months of November, December, January or February.

Each unit will need to have a Friends of Scouting Coordinator. This person will be responsible for the following:

- Serve as the contact for the unit FOS Presenter.
- Collect enrollment cards from any family that is not in attendance or did not return a card at the presentation.
- Ensure that the unit earns the 100% participation recognition.

Please fill out form below and return by **December 7, 2007 to:**
