Cub Scout Division

Boy Scouts of America

Cub Scout Pilot Program 2008/2009
Pack / Council Form

Cubmasters: This form is to be completed and sent to the council office by April 30, 2008.
(Scout Executives: Your Council Summary form should be sent to your Area Director, by May 10).

Yes, we want to participate in the new Fast Tracks on the Advancement Trail.

Our Pack understands that:

1. **The original Pilot program dens have had a significant increase in Cub and parent retention, since using the new program materials.**
2. **Dens that volunteer to participate must use the new program materials as designed, to maintain the integrity of the results, for this expanded Pilot program.**
3. **We will receive from BSA, the access code, to allow us to access the Fast Tracks program material, which will be posted on the BSA's website (www.scouting.org), in the Cub Scout section. Den leaders agreeing to use the materials will be able to access all the program materials at the BSA site.**

Council Name: Northern Star Council Council Headquarter City: St. Paul

Pack #_____ District: _____

Cubmaster
