

Some Basic Information

Candidates should be prepared to only take a sleeping bag, ground cloth and rain gear for Friday night. A tent will be needed Saturday night. Everyone should wear their uniform and bring all the **personal gear** and **equipment (tent, ground cloth)** that you would use on a weekend camp with your unit. In addition, be sure to bring along **work clothes and work gloves** to wear during the service project portion of the weekend. You should plan to arrive on Friday and also make arrangements to be picked up between 10:00 & 10:30 a.m. on Sunday (confirm this time at check-in). Note that you should not plan to depart prior to Sunday Morning as critical portions of the weekend program will be performed in the morning, on Sunday. Some Chapters are however ending Saturday so this does not apply. Please check with the Adviser for departure information. If you have any questions with regard to this material, or the Order of the Arrow in general, please do not hesitate to contact your Chapter Adviser:

If you are able to bring rakes, saws and other tools necessary to do the service project, please contact the Chapter Adviser. The necessary tools will depend on the work planned. Be sure to have all tools marked with your name.

Conclaves are planned for:
