

Order of the Arrow - Fall Conclave and Induction

July 29, 2008

This is your personal invitation to attend the Fall Conclave and become a Brotherhood member in the Order of the Arrow. As an Ordeal member you were asked to serve your Unit and return to seal your membership in the Order by becoming Brotherhood. Please complete the form at the bottom of this letter and send it along with a check for \$34.00. Also included is a health form that must to be completed, signed and brought with you to the Conclave. You will be assisting the other members in the morning Service Project so please bring a change of work clothes, besides your uniform. Your troop/team is in the Northern Lights Chapter. Your Chapter Conclave is scheduled for **September 12th** at **Rum River Scout Camp**. If for some reason it is impossible to make the Northern Lights Conclave you can arrange to attend another Chapter's Conclave (see the enclosed schedule). You must however get permission from the other Chapter's Adviser first. If you need to attend another Chapter's conclave you must make a contact with both your Chapter, and the other Chapter's Adviser, to confirm your plans. If you identify one of the other Chapter's Conclave dates fit your schedule just mark the Chapter name on the line below. Check with your friends in the Northern Lights Chapter, and troop/team, to have them join you to have a great time on the weekend.

The conclave fee of \$34.00 pays for; the O.A. Brotherhood sash, your 2008/2009 dues, the food, mailing cost, and the shared conclave expenses. If you are not able to attend a Conclave this year please at least send a \$12.00 check for your 2008/2009 dues.

In preparation for your Brotherhood Orientation you should begin memorizing the Obligation and the Order of the Arrow Song, found in your OA handbook. One last request, please check the email address shown below. Make any corrections, or enter your email if none is shown. If you have any other questions please do not hesitate to contact your Chapter Adviser, Doug Farmer at 763-424-6424.

Sincerely,

Ian O'Brien
