August 2008

Dear Scouts and Adult Leaders

Your troop is invited to attend the annual Northern Lights District Fall Camporee. This year's theme is "Fire Safety". Our Camporee dates are Sept 26th to 28th at Run River Scout Camp. This year's theme hails from the concept of Fire Safety and is based on our Fire Safety Merit Badge and having the scouts earning the MB. Have fun with this theme and enjoy the weekend.

This registration package should help you understand what is happening at the Camporee so you can help your experienced scouts select, plan and execute the event they choose to pass along to younger scouts. Activities include patrol spirit competition, a campfire and many other fun, challenging activities. If you aren't careful, you may also learn something.

This year we are again incorporating a Webelos getting to know you experience. This unique time can be used for Webelos recruitment, and to help the Webelos scouts prepare for Scouting.

In addition to helping your experienced scouts plan their station, we need your assistance in helping with campsite judging, contest judging, score keeping, event timing, and co-coordinating vespers. We also need you to provide one adult to stay with your experienced scouts at their station, and adults who will lurk in the background with your younger scouts as they travel through the event stations.

We are especially looking for Older Scouts to talk to new Webelos in the afternoon. Prior Gray Wolf or Pine Tree Attendees, Senior Patrol Leaders, etc would be perfect.

Call Don Peterson, Fall Camporee Chairman at 763-425-1187 (h) or 763-354-4576 (cell) or e-mail drpeterson63@myosseo.com if you need more information, or are interested in serving as a volunteer in any capacity.

Looking forward to seeing everyone at Run River Scout Camp!

# General

## First Aid

All troops are responsible for minor First Aid for their troop members. Major injuries should be reported to and attended by the staff at Colbert Shelter. Please have proper medical papers for each person if possible.

## Uniforms

Scouts should be in Full Field uniforms upon arrival, at Church services, Flag Ceremonies, Campfire program and when leaving. During the day on Saturday, please have scouts dress in Troop Activity uniform (troop t-shirts or other scouting apparel. We want to look sharp for the Webelos Scouts. Remember, uniforms also count a long way toward patrol spirit competitions.

## Fees

The cost this year is \$8.00. This includes a nifty patch, camp fees, cracker-barrel and other refreshments, supplies etc. Not too bad for a great weekend.

## Lunch Period

Saturday lunch is on the trail. Each patrol should prepare a bag lunch that can be carried throughout the morning, or kept at their event station. Water is available at standard Camp water sites. Patrols may want to bring something extra to drink for lunch.

## Campfires

As of Thursday, September 4, there is no ban on campfires. However, please make sure they are in a fire ring, not on the ground. Also, keep them small. It still is really dry out there!

## Campsite Inspections:

Campsite inspections are mandatory this year. There will be three prizes for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place troops. Signup is at the Cracker Barrel Friday night. Campsite judges are also needed. These can be adult scouters or older (16+) Scouts. This is an excellent way to explore the camp and see how other troops operate.

## Chapel Services

There is a single chapel service at 7:00 pm in the OA Amphitheatre. Last spring, the entire service was led and coordinated by Chaplain's Aides. We hope this is possible this fall. Please ask your Chaplains Aides to see Bea Murphy to sign up. You can contact Bea at 763-533-2610 or [Bea\\_Murphy@hotmail.com](mailto:Bea_Murphy@hotmail.com). Be sure to put "Chapel Service" in the subject so she doesn't delete it as spam!

## Setup Time

In order for our experienced scouts to have ample time to setup coordinate each event station, Troops running a station should set up Friday night. Become familiar with scoring and other logistics to avoid any kinks and other logistics.

### **Patrol Spirit Beads**

We believe the idea of encouraging patrol spirit is a worthy one. We will again be awarding beads to the patrols based on the event judge's opinion of Patrol Spirit. This year, it is possible for all patrols in an event time slot to earn all blue (1<sup>st</sup> place) beads. Also available to the judges are Red (2<sup>nd</sup> Place) beads for those patrols that do not work as well together, and white (3<sup>rd</sup> Place) beads if there is no patrol spirit at all.

### **Webelos Event**

Saturday afternoon we have invited the Webelos to attend the Camporee. They have time from 3:30 to 5:30 p.m. to visit different troops and learn what Boy Scouts is all about. Please make them welcome. If you have handouts (paper or cookies), please get them to the boys and their parents. This is your time to shine! We want every Webelos scout who attends to leave with the desire to join a troop come February.

### **Cracker Barrel**

Please invite your Assistant Scoutmasters, Senior Patrol Leader, and Assistant Senior Patrol Leader to the cracker barrel. This is an important time for discussing Saturday's (and the rest of the weekend's) schedule.

Cracker barrel is at 9:30, Friday Night.

**Station event meeting at 9:00 p.m. Friday night, Troops running a station should send one adult and one youth to this meeting to cover the events on Saturday and other items.**

# Troop Requirements

Here is information that is useful for the entire troop:

## **Event Selection:**

By Sept. 14<sup>th</sup>, each troop will register (along with an alternate choice) the event station they choose to help their experienced scouts plan and execute (from the list provided). Choice of event stations are FIRST COME, FIRST SERVED, and return confirmation/approval must be received. Troops should involve the experienced scouts in the selection, planning and execution of the event. Provide a short description, and list of supplies a patrol should carry with them to your event. Event selection should be made to [drpeterson63@myosseo.com](mailto:drpeterson63@myosseo.com), or contact Don Peterson at 763-425-1187 (h) or 763-354-4576 (cell). Don't wait until the last minute.

## **Pre-registration and Registration:**

By Sept. 21<sup>st</sup>, each troop will pre-register the number of adults and scouts by emailing [drpeterson63@myosseo.com](mailto:drpeterson63@myosseo.com).

Formal Registration will take place on arrival, with exact counts, names, health forms and funds due at that time. Please don't send your registration fees to the scout office. Bring the fees with you to Rum River that evening.

## **Campfire:**

Each troop should be prepared with at least one skit and optionally one song for use at the Campfire Event Station and the Campfire itself. These should be age appropriate for Webelos scouts. All skits and songs must be approved by the Campfire MC's before they are used. Please remember our "Fire Safety" theme. It would be great if the skits and songs revolved around Scouting Lore.

## **Parking:**

This is always a controversial subject. Please move **ALL** vehicles to parking areas. Do not park in campsites. When unloading, please stay on the road, just off onto the shoulder. You may drop a trailer off at the campsite. Please unhook from the tow vehicle and move the tow vehicle to a parking area.

## **Chapel:**

Please see the note in the general section and provide a Chaplain's Aide for the chapel service (by helping with this it will work towards communications merit badge).

## **Campsites:**

Campsites will be assigned based on pre-registrations. Have a clean and professional campsite available for inspection by Webelos scouts and also by our campsite inspectors.

# Patrol Requirements

Each patrol will participate in all events, except for the scouts involved in producing an event. The patrol will be issued an Event card indicating the location and times of each event. Patrols must follow the schedule, or chaos breaks out. Please ask all patrol leaders to follow the schedule. If a patrol finishes an event early, please stay in the vicinity of the event until the appropriate passing time.

**Please make sure all Patrol Spirit Beads colors are marked on the patrol card and the card is turned into to the staff at Colbert Shelter by 4:00 PM Saturday.**

Patrols must bring the following:

- A patrol Staff flying the Patrol Flag

Each event leader will have a supply of patrol spirit beads to hand out to patrols. Patrols showing extreme patrol spirit will receive a blue bead, a lot of patrol spirit a red bead, otherwise a white bead. Be the patrol with the most blue beads at the closing flag ceremony to receive special recognition.

- A Fire Safety skit and song for the campfire.

Our campfires keep getting better and better. This is due, in most part, to the patrols having songs and skits at the ready. We are also trying to impress Webelos scouts, so work extra hard on the songs and skits. Encourage Scouts to learn new skits or songs.

- Your Own Cup
- Toilet Paper
- Breakfast

Breakfast on Saturday morning needs to be a meal that is quick and easy to clean up (while I have never liked the idea of cold cereal as a breakfast meal, this may be a time it is necessary).

- Lunch

Each patrol should plan on a **“Trail Lunch”**. That is, a lunch that can be packed through all the activities and eaten on the trail. Camp Water will be available throughout the camp, but you may want to bring your own refreshment.

- Event Station Supplies

As noted in the event sections, Scout Handbook, Trail Lunch, Patrol Flag, Patrol Yell, and Water for drinking.

- Your sense of Humor, Scouting Skills, and a smile and the merit badge requirements that need to be completed before camp and turned in.

## Scout Activities, Saturday, Sept 27th

The Scout Activities consist of 12 stations that patrols rotate through during the course of the day. The patrols move from station to station in an assigned sequence with a “shotgun” start. These stations include Scouting Skills, advancement activities, and some just plain fun events. The activities run from 8:30 am to 3:35 p.m. with a 30 minute lunch break. Lunch consists of the trail lunches that the patrols bring with them. Each activity is 25 minutes long with 5 minutes to travel between stations.

There will be multiple opportunities at each station to allow all 300+ scouts to attend. Troops have the opportunity to provide a mission to their experienced scouts to plan, prepare and teach a station event. We expect 6 troops to have stepped forward and accept this challenge.

Each patrol needs to carry supplies for the events. See the list of patrol requirements on page 6. Patrols should be ready to give their patrol yell at any time to show Scout Spirit and win patrol beads.

A preliminary description of the Scout Stations, how they may be scored, and advancement opportunities for each is listed on the following pages. Patrols will be judged on completing the objective, patrol involvement, and cleanup for each activity

## Attention all Webelos Leaders, Webelos Scouts and Webelos Parents!

### Leaders:

Are you uncertain what the next year holds, life after Cub Scouts?  
 T542, T579, T211, T575 - Are they lotto numbers or what?  
 Do you really need to go to SMF training? After all, you're not a smurf.  
 Cub Scouts only takes an hour a week, how about Boy Scouts? (Yeah, Right)  
 How do I break into the Troop Adult leadership corp.?  
 Do they need me at the Troop Level?

### Webelos Scouts:

Do you feel a little intimidated by the prospect of Boy Scouts?  
 Is the candy better at the Rum River Trading post or at Stearns?  
 Can I call home every night from Many Point?  
 Will the older boys "pick" on me?  
 How will I fit in with 40 boys in a Scout Troop?  
 Do you really get to make your own food?  
 Do I have to make my own food? (Pick one of the last two questions!)

Do I have to go to troop XXX, I don't like what they do!

### Parents:

How much does it cost to get into Boy Scouts?  
 Do I need to buy out REI or Gander Mt. Stores to outfit my son?  
 Can I get in on some of the fun too?  
 Can my boy be an Eagle Scout someday?  
 Do I need to attend any training?  
 How can I participate in a Boy Scout Troop?

# Home Safety Inspection

Together with other members of your family, use this checklist to check the safety of your house. Not every question will apply to your home. For each question that is answered yes, put a "1" in the score column. When you are done total your score. Where you have answered no, attempt to eliminate the hazards or change the actions. After a few days of making adjustments, review the list to see how much your score improved.
