

Klondike Derby
2009
Rum River Scout Camp
Northern Lights Dist. B.S.A.
At Colbert Lodge Jan. 24th 9:00 AM

Scouting in the beginning years chose the theme of the Klondike some 90 years ago as their first jamboree. Today we keep the theme alive with our Dist. Klondike Derby.

Yukon Territory some 3300 miles to the NW is where the last big gold rush took place. The year was 1898 when thousands of men and women seek their fortune in the hills near Dawson in the Yukon. The route to the gold fields was over snow covered mountains pulling their sled with 500# of supplies.

The derby will be a round robin of 6 events of challenges and winter skills. Patrol sled is your ticket to win the most ribbons for your Troop.

What do I need to know to be ready.

The cost is \$7.00 per Scout and Scouter, bring bag lunch, water, Snowsnake, sled with equipment and patrol flag.

Dress for winter, Scoutmaster review winter skills with the Scouts.

No Tennis Shoes.

The OA will be present and ready to sell food that will help you win the Klondike.

Troops start building your sled, great activity to teach new skills. The Snowsnake is a great project for Scouts who want to show their own creativity.

Scout motto BE PREPARED.

The ICEMAN event will be on, but this year there is a choice to have the event on Sat. Please call on your choice to either have it on Fri. or Sat. night. Call Joe Sears 763-535-0485. Any questions or would want a winter skills presentation at a Troop mtg. give me a call.

The best season is almost here, winter and no bugs.
