

NORTHERN LIGHTS KLONDIKE DERBY 2010

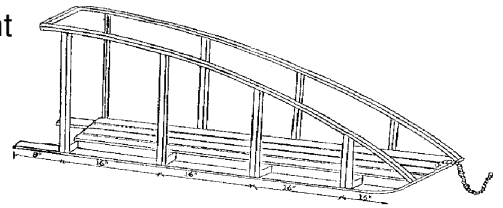

Rum River Scout Camp At Colbert Lodge

Saturday, January 23rd at 9:00 am

Scouting in the beginning years chose the theme of the Klondike some 90 years ago as their first jamboree. Today we keep the theme alive with our District Klondike Derby.

Yukon Territory some 3300 miles to the northwest is where the last big gold rush took place. The year was 1898 when thousands of men and women sought their fortune in the hills near Dawson in the Yukon. The route to the gold fields was over snow covered mountains pulling their sleds with 500# of supplies.

The Derby will be a round robin of 6 events of challenges and wint Patrol sled is your ticket to win the most ribbons for your Troop.

What do you need to know to be ready?

The cost is **\$7.00 per Scout and Scouter**, Bring a bag lunch, water, Snow Snake, sled with equipment and Patrol flag. **Dress for winter**. Scoutmaster review winter skills with your Scouts. **NO Tennis Shoes!!**

The OA will be present and ready to sell food that will help you win the Klondike.

Start building your sled!! Great activity to teach new skills. The Snow Snake is a great project for Scouts who want to know their own creativity. Instructions are attached for sled and Snow Snake.

Scout Motto **Be Prepared!!**

The **ICEMAN** event will be Friday, January 22nd. Please see attached flyer. The deadline to register is January Roundtable. Call Joe Sears at 763-535-0485 with any questions or if you want a winter skills presentation at a Troop meeting. The **BEST** season is almost here, winter...and no bugs!

Klondike Sled Requirements 2009

Each patrol will be judged for having all the required items on its sled.

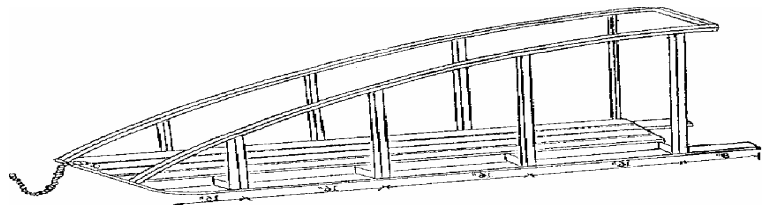

• Troop ID	• Compass	• An Official sled equipment LIST!!
• First Aid Kit	• Pencil and Paper	• Fire Building Materials/Bundle of Firewood
• 25 ft of Rope	• Tarp	• Pocket Knife for Each Scout
• Patrol ID	• Water Container	• Snow Snakes enough for each patrol
• Pair of Flip Flops	• Blanket/Sleeping Bag	

What to bring on the sled for the Klondike Derby.

The sled is hand made by the Scouts. The size is a minimum of 16” wide and 4 to 7 feet in length. See attached sample directions.

Also good Scout spirit, completing the course and a good race time. Dogs pulling the sled must have one rider and driver. All must cross the finish line. Sleds must be guided and cannot be carried at any time. Fire building materials will also be needed for the other skill event, so you might be hauling two bundles of firewood during the sled race. Drink plenty after the race. Patrol Leaders: PLAN YOUR DAY!

Any questions or if you need help with the sled call Joe Sears at 763-535-0485.
