

American Red Cross Wilderness First Aid Basics Registration

Jan 9th 8am to 4:30pm and Jan 10th 1pm to 6pm
at Lord of Life church in Maple Grove

This training will help your troop:

- Prepare for High Adventure trips
- Meet BSA high adventure requirements
- Lower the cost of your troop's certification
- Raise the safety level of your entire program

Wilderness First Aid Basics – \$75 individual

- Topics covered:
 - Identify how to respond to emergency situations in delayed emergency help situations
 - Identify causes of injuries and how injuries can be prevented in wilderness areas
 - Learn proper advance preparation for journeys into the backcountry
 - Learn Emergency Action Steps for First Aid Response when EMS is not readily available
 - Learn basic and more advanced first aid techniques to use when an injury occurs
 - Learn how to respond to an emotionally upset victim
 - Learn short distance transfer and evacuation techniques
 - Experience providing wilderness first aid through scenarios and simulated rescues
 - This training fulfills Philmont requirements.
 - This training does not teach CPR skills.
 - Red Cross Wilderness First Aid certification good for 3 years.
 - Every participant needs to attend both Saturday and Sunday.
- This is official Red Cross training by an authorized Red Cross Instructor.
➤ Certify your Assistant Scoutmasters, Patrol Leaders, and high adventure crews.
