*Star Camp is Northern Star Council's Celebration of Scouting's 100 years.*

**HELP!!** We need BSA Archery and BB Gun Range Instructors for Star Camp. If you have a BSA Archery or BB Gun Range Officer Card we encourage you to share your knowledge and help run ranges at this Scouting Extravaganza. This is truly a chance of a lifetime.

So you're Interested but need the training or your current credentials will expire? Well we have several classes scheduled to help you earn that coveted pocket certificate for BSA Archery and / or BB Gun Instructor. Experience is not required however dedication to the Scouting principals will insure that you and your Scouts have a safe and fun exposure to the shooting sports.

Training will be held at Beaverbrook Sportsman's Club In East Bethel. This range facility generously donates time and space for Boy Scout Merit Badge classes, Venture's Blaze Away Day, Pheasants Forever Youth Days as well as 4H and other youth events.

Each class lasts 3 - 4 hours. The cost is \$5.00 per class. All class handouts will be on a CD. If taking both classes, remember to bring a lunch. You must register for each class. Have questions, want to register for a class, or let us know you will help please call the Star Camp Range Chair Linn Laage at 651-452-4237 or you can email us at [starcampranges@gmail.com](mailto:starcampranges@gmail.com).
