Cub Annapolis Rules

Each scout should make his own cardboard box car that he wears. He can decorate it as he wishes -- family members are allowed to help.

Each team is composed of: **The "Driver" (Cub Scout)**
 The "Pit Crew" (2 or 3 or more family members)

The driver must wear a pair of lace-up shoes with socks. NO SLIP ON SHOES! They must Tie!

Each heat consists of 4 laps, and each driver must make 3 pit stops during the first 3 laps. During the pit stop, the crew must do one of the following:

- Change tires (remove shoes, turn socks inside out, replace and retie shoes)
- **Refuel (driver drinks four ounces of liquid through a straw)**
- **Clean windshield (wash face with wet washcloth)**

At the end of the race, all three of the above should have been done by the crew. There is no pre-determined order as to which should or must be done first.

THE SCOUT SHOULD BRING:

- **Cardboard Cubannapolis car**
- **One washcloth**
- **Tie shoes and socks**
- **Repair supplies (tape, stapler, etc)**
- **A Hard Working Pit Crew!!**

DISTRICT WILL FURNISH:

- **Refueling liquid (kool-aid or lemonade)**
- **Straws for refueling**
