

Dear Unit Popcorn Chair—

Fall is fast approaching, and the smell of new school supplies, football and best of all – POPCORN is in the air! The Fall 2010 Popcorn sale promises to build on last year's successful sale including, new packaging, new products, new (and simplified) prizes, and a renewed partnership with the Minnesota Vikings!

Because of the overwhelming positive response to the popcorn training program, we have added more training dates and more locations. Units need to attend popcorn training to receive the 3% training commission, even if they attended in the fall 2009, or spring 2010. Due to big changes, we need every unit to have all the necessary information. We have cut the training time to less than 60 minutes, with time at the end of each session for questions and idea sharing.

If the popcorn chair cannot attend, another adult can attend to fulfill their unit's training needs. These trainings are the locations to pick up your popcorn box for the fall sale (see below). The district popcorn chairs all agree that this is the best way to ensure that each unit has the most accurate and up-to-date information for a great sale this fall. By attending, you will learn proven methods to increase your unit's popcorn sale; including how to put on a great kickoff and information about the upcoming sale. Your unit can also win prizes to use at their popcorn kickoff.

The district popcorn chairs and the Northern Star Council are committed to helping each unit and each youth be successful in this year's Fall popcorn sale. If you have questions, please contact your district popcorn chair, or feel free to contact me directly. Thank you for your time and we look forward to seeing you in August!
