

COPE Instructor Training

SEPTEMBER 10 -12

When: Friday, Sept. 10, (6:30pm) – Sunday, Sept. 12, 2010 (12:00pm)
Where: Stearns Scout Camp (indoor or outdoor lodging provided)
Eligibility: COPE Instructors must be at least 18 years old.
Cost: \$25.00 (includes all materials and food)

COPE is an acronym for Challenging Outdoor Personal Experiences, a program that involves a series of low course (teambuilding activities) and high course (high ropes and zip line) events for groups of youth aged 13 and older. Our camps have wonderful opportunities for troop and crew teambuilding on our COPE courses but we need more trained people to be facilitators on these courses.

The COPE & Climbing Committee is sponsoring a COPE Instructor training at Camp Stearns during the weekend of September 10th – September 12th, and we want you to become certified.

What will COPE Instructor Certification allow me to do?
 This certification allows you to work with a COPE Director to lead both low and high course events for Scouts at Camp Stearns. An important note is that a camp school certified COPE Director **must** be present when operating the course.

Don't miss out on this great training event. Participation is limited to the first 20 registrations. Return the registration below, with \$25.00, to reserve your spot. For more information call or email Bill Bull at 763-231-7228 or bbull@northernstarbsa.org.
