

# Northern Lights District Youth Protection Training

## Objectives of Training:

Protect our youth members by rigorous use and enforcement of the Youth Protection Guidelines. Inform our leaders of the BSA's Youth Protection policies. Improve the protection of children by promoting prompt reporting of suspected abuse and violations of Youth Protection Guidelines. Familiarize key leaders with BSA's Youth Protection resources and their intended use in unit programs. This training is mandatory for all new leaders and must be renewed every 2 years for active volunteers.
