

BSA Archery Merit Badge

January 15th or 29th, 2012

Ten Ring is again offering the Archery Merit Badge to Scouts this winter. Don't worry we're going to be inside. Rapids Archery Club has graciously allowed us the use of their nice **warm** indoor archery range in Andover. We are presenting the complete Merit Badge start to finish and you should complete it all in one day. We have space for twenty four (24) Scouts per class.

Partial merit badge Scouts are welcome, just let us know what sections you need to complete. We are prepared to guide you through all of the Archery requirements. We will have Merit Badge Counselors there to help with the making of the arrow and the bowstring as well as making sure you shoot your best. Everything you need will be provided. We start at 8:00am and will work on all requirements as needed.

When registering for the class each Scout will be given a Workbook which will need to be **completed** before coming to the class. The Archery Merit Badge pamphlet will answer the questions in the workbook. Each Scout will also need to bring a Merit Badge card signed by their Scoutmaster. We ask for a voluntary donation of \$7.00 to cover the materials but it is not required. Remember Scouts **Do a Good Turn Daily** so we ask that you bring a food item for donation to the local food shelf.

Registration for this merit badge class is done on the [Ten Ring](http://Ten Ring website) website.

A PDF of the Workbook and an Interactive Map to Rapids Archery Club can be found on the [Resources](#) page of our website.

If you have any questions they may be answered on our website. Or you may email us at archerymb@tenring.org or if you wish feel free to call us at 763-269-7795

Ten Ring

Hello, we are a non-profit group of Scouters interested in helping the youth in our area enjoy the shooting sports safely. We have volunteers that are highly trained in all the different disciplines of the shooting sports. We have been working with scouts since our own boys were cubs. As well as providing shooting opportunities for scouts and other youth in our area we conduct NRA, BSA and USA Archery training to adult leaders.

Rapids Archery Club

The Club and ranges are located inside the Bunker Hills Park. It is dedicated to the advancement of the sport of Archery and all the variations that are involved from Olympic style target shooting to 3D animal targets to promoting bow hunting. You can visit their website at www.rapidsarchery.org.
