Please complete the registration form and return to scout office by February 15<sup>th</sup>! The sooner you turn it in the better your chances of getting the merit badges the boys want to work on. **PLEASE indicate all three merit badge choices.** There is NO Round Robin this year so each boy will work on ONE merit badge for the day!

NOTE: The intent is to provide opportunities for scouts from various units to work on a merit badge of their choice, **thus signups of an entire unit of on single badge are discouraged.** Units will be notified as soon as their registrations have been processed thus allowing for boys to start with pre-reqs required to complete their badge.
