

God and Family Program

What: You and your child are invited to participate in the God and Family Program. You work with your son or daughter to help them build their faith and family relationships. This class will be lead by two of the Pastors from Zion Lutheran Church, Pastor Mark Tiede and Pastor Peter Nycklemoe. The class will use the curriculum and book “God and Family” designed by Praypub.org. If your child is a WEBELO Scout this will cover their religious commitment for WEBELOS and they can also be awarded their religious knot. This prestigious knot is one of only a few things that can be put on their future Boy Scout uniform and adult leader uniform. Fewer Scouts earn this award than become Eagle Scouts.
