

## 2013 - Rifle Shooting Merit Badge Classes

We are offering the Rifle Shooting Merit Badge this spring. We'll guide the Scout through all of the Rifle Shooting requirements from loading—unloading to cleaning a rifle as well as making sure they shoot their best. This class requires the Scout to complete a workbook before coming to the class. Everything they need will be provided. We organize the class in patrols of eight Scouts. Each Scout will complete the merit badge in one four hour session. Remember to check our website for the most up-to-date information. [www.tenring.org](http://www.tenring.org)
