

2014 - Archery Elective Ranger / Bronze Award

Again will be offering the Archery Elective to Venturers this winter during two sessions. Don't worry we're inside a **warm** indoor archery range. We'll help you with the shooting requirement of the Archery option of the Bronze / Ranger Shooting Sports Elective. Everything you need will be provided including snacks. We have space for 24 youth each day. The first session is all about getting the shooting portion of the elective done.

The second day is to fill in any holes in the requirements, and we plan to have some fun and do our "Critter" shoot again, here's a chance to show what you can do. You really do need to sign-up for both days, but if you can only do one, it should be the first day. Last year we had around 90% complete the elective. Remember to check our website for the most up-to-date information. www.tenring.org

Adults ... you may also get a chance to let a few arrows fly, but nothing is guaranteed.

The sessions are scheduled for February 16th and 23rd

We start promptly at 8:00A and will finish before 1:00P

We ask for a voluntary donation of \$10.00 to cover the costs.

We also ask if you can help others in the community by bring along a voluntary donation of a food item for the local food shelf.

Registration is done online at www.tenring.org/events.htm. Once we process your registration we will send you an email confirming your spot. We will also include a map.
