

## **Journey to Excellence 2013**

### **Northern Lights District**

The deadline for submitting paperwork to qualify for the Journey to Excellence is December 31<sup>st</sup>. We know what every unit in Northern Lights District is striving to put on a quality program. We want to make sure you are recognized for the effort.

Journey to Excellence helps measure a unit's program performance. It is made up of many goals. A lot of those goals we track at the council level. For example, number of youth camping in Cub Camp or long term Boy Scout Camp. However, other items must be reported by the unit's themselves. This is done using the Unit Tool Box. These are items such as weekend activities, recruitment events and service projects.

We would like to ask that every unit access the Unit Tool Box and fill in the missing information for these items as soon as possible.

If you cannot do the Unit Tool Box, we will be happy to assist. Just fill out the second page of this form, bring it to Roundtable on December 4<sup>th</sup> and give it to:

- Our District Executive Mike Gabiou
- Our District Chair, Chris Sandburg
- Our District Commissioner, Dave Sitler

We can help enter it for you. If you forget to bring it, send it to:

Northern Star Council  
5300 Glenwood Avenue  
Golden Valley MN 55422  
Attention Mike Gabiou

You can also scan it and email it to [mgabiou@nsbsa.org](mailto:mgabiou@nsbsa.org)

**Remember, the deadline is December 31<sup>st</sup>, 2013**

We want to recognize all the good work our units do day and day out to bring a quality program to your youth. Don't be left out.
