

WANTED!

HELPFUL Venturers, Explorers, Boy Scouts and leaders!

Ron Schara's St. Paul Kids' fishing clinic will be taking place on January 11th and 12th.

Saturday, January 11th 10:00 – 1:00
Sunday, January 12th 11:30 – 2:30

About 300 kids participate on Saturday and about 400 on Sunday. This event takes place during the St. Paul Sports Show at the River Center. Volunteers helping out with the clinics will get into the show **FREE** of charge. We'll have around 9 or 10 stations that include knot tying, casting, water safety, the baiting game, fish identification, the great minnow race, etc.

The stations are typically staffed by very experienced anglers. We are looking for any Venturers, Explorers, Boy Scouts and leaders who would like to help out the staffed stations – on one or both days.

If you are interested or have any questions, please contact Bob Thielen at bthielen@northernstarbsa.org. Bob will be tracking names of volunteers, to ensure **FREE** admission.
