CUBANNAPOLIS RULES

Each scout should make his own cardboard box car that he wears. He can decorate it as he wishes — family members are allowed to help.

Each team is composed of: **The "Driver" (Cub Scout)**
The "Pit Crew" (2 or 3 or more family members)

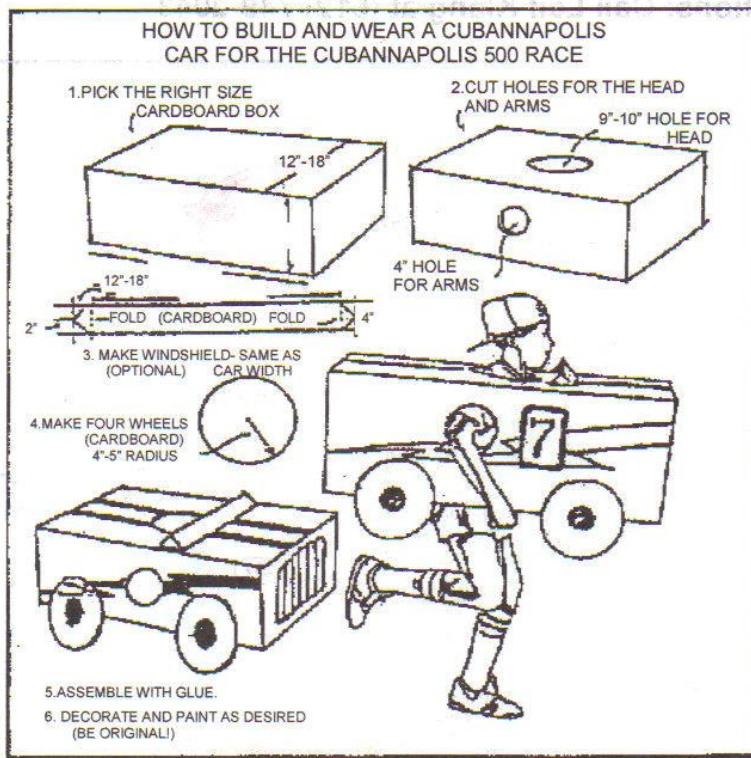

The driver must wear a pair of lace-up shoes with socks. **NO SLIP-ON SHOES!** They must tie!

Each heat consists of 4 laps, and each driver must make 3 pit stops during the first 3 laps. During the pit stop, the crew must do one of the following:

- * Change tires (remove shoes, turn socks inside out, replace and retie shoes)
- * Refuel (driver drinks four ounces of liquid through a straw)
- * Clean windshield (wash face with wet washcloth)

At the end of the race, all three of the above should have been done by the crew. There is no pre-determined order as to which should or must be done first.

THE SCOUT SHOULD BRING: **Cardboard Cubannapolis car**
One washcloth
Tie shoes and socks
Repair supplies (tape, stapler, etc.)
A hard-working Pit Crew!
