We are having a benefit for Bob Thielen. He was diagnosed on Christmas Eve with B Cell Mantle Lymphoma, a very rare type of Cancer.

Ever Since Bob was little he has done so much to help other people. He earned Eagle Scout and then volunteered for years with the Boy Scouts. Bob was in the Army, where he was injured and honorably discharged. He then decided to have a career with the Boy Scouts of America, he has been working there since 1992. He alongside his wife Shelly, were two of the original founders of K-9 Search Services in 1996 and retired in 2012. Bob and Shelly will be celebrating their 25th wedding anniversary on November 24th of this year.

Bob has done many amazing things to help so many people throughout his life. We would like to give back at this time. We would love for you to join us!!!

Donations can also be made through Bob Thielen benefit account #169 c/o The Bank of Elk River 846 Freeport Ave Elk River, MN 55330
