**Scouting Volunteers needed!**

**July 19 – 20 Flying Cloud Airport in Eden Prairie**

AirSpace MN and Northern Star Council are partnering to bring STEM opportunities and programs to Scouts and youth of our area. Our next event is Wings of the North Expo in Eden Prairie, MN. AirSpace MN is a local group committed to helping students discover their dreams and the creativity and value of skills and careers involving science, technology, engineering and mathematics. AirSpace and NSC will be sharing an activity table at this event, and are in need of a few Scouts/Parents/Volunteers to help answer questions and promote local Scouting. Attendees and their families will also get to experience other great activities and events!

**We are in need of volunteers/Scouts for the following Shifts.**

<b>Saturday July 19</b>	<b>Sunday July 20</b>

**FAQs**

Q: What would I be doing if I volunteer for a shift?

A: Helping AirSpace with their Straw Rocket activity, and promoting Scouting, answering questions about what kinds of activities Scouts get to do.

Q: How many do you need per shift?

A: Three total. If a Scout/Parent combo wants to help, that's great!

Q: Is there an age requirement to help?

A: If it is a Scout alone, we would like them to be at least 13 years old, and able to converse with the public easily.

Q: What is the cost to get in?

A: Volunteers will receive a FREE ticket for that day's event. Additional tickets are extra.
