

Northern Lights District

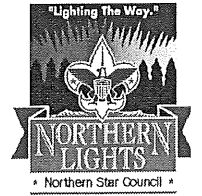

# Singing Wires

Fall Camporee — Rum River Scout Camp

September 25-27, 2015

Register online at <https://ScoutingEvent.com?NL2015FallCamp>

Scouts: \$15 Adults: \$10

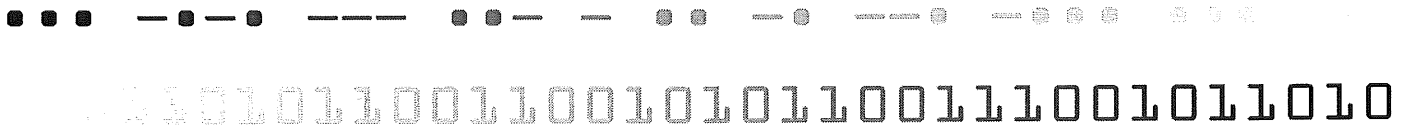

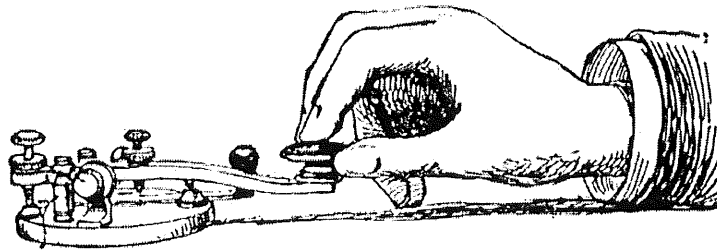

*Scouting is a learning experience for life skills.*

The key activities at the Northern Lights Fall Camporee will involve building your own telegraph and sending messages through the “Singing Wires”. In addition to building your own telegraph and raising the wires for the network, other fun activities will include compass & map skills, “Rescue Me” training, and a tomahawk toss. Troops are encouraged to bring their own supplies to raise-the-wires: 8’ to 10’ poles and rope to lash together telegraph pylons, and work on your Pioneering skills (and merit badge) at the same time! Scouts are encouraged to study Morse Code though the spring and summer so they will be proficient by September and the Fall Camporee.

Troops will need to furnish basic tools including screwdrivers, pliers & hammers, in a toolbox clearly marked with your name and troop number. Troops should also bring boxes for transporting your projects back home.

Life and Eagle Scouts are encouraged to volunteer to help with the Fall Camporee.

**Event Timeline:**

**Friday**

- 6:30 pm Check-in opens
- 8:00 pm Cracker Barrel (SPL & Scoutmaster)
- 6:00 - 9:00 pm Build telegraph pylons or towers.
