

What is Scouting for Food?

Collecting food, door-to-door, as one of your Good Turn unit activities. Door hangers are dropped-off by your unit before the pick-up day. The door hangers instruct homeowners to leave canned food out on the upcoming Saturday for Scouts to pick-up. **This year Scouting for Food collection will be on April 16th.**

The Northern Lights District is working in partnership with CROSS in Rogers.

Participating units must contact Julie Ryan, the Northern Lights Scouting for Food Coordinator, to arrange a delivery time at CROSS. By working together we can avoid everyone showing-up at the same time! Please contact Julie at julie.ryan@verisk.com
