

Protestant God and Church Award

For Grades 6 - 8

The God and Church program will lead young people on a faith journey consisting of three parts: meeting Jesus, worshiping God, and witnessing and ministering for Christ.

Participants will work with a pastor as they study the church's structures and objectives, and participate in service projects that will give them a better understanding of the mission of the church. They will create either a photo album or a video to share what they have learned on their faith journeys.
